Dear Miss "ilcox,

Please excuse the hastiness of this response to your note. I'm editing and correcting a long manuscript.

There is only one edition of POST MORTEM, the one of which you have a copy. It has not been possible to get it printed.

If this ever changes, I'll let Arthus known.

My best to him. And to Nancy if you hear from her.

Hope you like the job.

Sincerely,

Harold Weisberg
